

JUDIT MONTPART

Junior UX · UI Designer

Who is Judit at work?

I'm a UX/UI designer with 8 years of professional experience, following a background in finance and digital marketing. **Now, I create digital experiences that are functional, clear, and impactful.** Throughout my career, I've learned to understand people, connect with users, and apply an analytical mindset to design efficient and engaging products. What drives me is turning problems into opportunities and crafting experiences that make people's lives simpler.
